HISTORY

The Garden Club was established in 1953. Its purpose is to stimulate a knowledge of gardening, to encourage community beautification, to help maintain Florida's natural beauty and to further the Garden Club programs of the Florida Federation of Garden Clubs and the National Garden Clubs, Inc.

Membership has grown from 34 members in 1953 to nearly 150 this year.

Our club has been recognized in 2014 as the Best Garden Club in the state of Florida, by the Florida Federation of Garden Clubs. It was also honored with the Best Garden Club in the Deep South Region (Florida, Georgia, Alabama, Louisiana, Mississippi and Tennessee).

We look forward to another exciting year.

The rewards of belonging to a garden club go far beyond the pure pleasure of growing things. It also provides an opportunity to expand your interests and build lifelong friendships while bettering the environment.

Membership Benefits include:

Weekly Activities:

Dirt Gardening— Members provide upkeep of our beautiful gardens.

Monday and Friday 8-11 A.M.

Monthly Activities:

First Tuesday of the month at 1p.m.

Fourth Tuesday of the month at 9:30a.m.

Board Meeting

First Wednesday of the month at 10a.m.

Garden Therapy at FAU Memory and Wellness Center

Community/Educational Projects

Today's garden clubs creatively and effectively address current issues, such as climate change, community beautification, and other environmental concerns.

BRGC supports Camp Wekiva by awarding scholarships each summer to local youth.

BRGC presents scholarships annually to assist undergraduate and graduate students pursuing studies in environmental fields.

BRGC leads an award winning youth program of Junior Gardeners in area schools and assists youths in learning the art of gardening and the need to preserve the environment.

BRGC leads a Garden Therapy program at the Memory and Wellness Center at FAU.

BRGC takes part in various community projects and the Community Garden.
